

FORMER

FORMER PARTS AND TOOLING CART

- Stores mold plates, breather plates, KO cups, and front feed screw cover for your forming machine. No longer worry about damaging your tooling putting it in meat buggy!
- Extra room for other parts and tooling like fill slots and fill slot inserts
- Made of high-quality polished 7-gauge stainless-steel
- Casters are two (2) rigid and two (2) swivel. Easy to bring to and from your parts room!
